

## Federal Student Work Experience Program (FSWEP)

The Public Service of Canada is committed to developing inclusive, barrier-free selection and appointment processes and work environments. If contacted in relation to this process, please advise the organization's representative of your need for accommodation measures which must be taken to enable you to be assessed in a fair and equitable manner.

Department of National Defence:  
Canadian Forces Base Esquimalt

Branch/Unit: Fleet Maintenance Facility  
(Cape Breton)

**Trade: Machinist**

Location of Position: Work Centre 160

Work Term: **04 July- 28 August 2024**

Language Requirements: English

Security: Reliability Status

**Summary Of Duties/Conditions of the Work:**

Machinists manufacture and repair components to a high level of accuracy.

In doing this type of work, machining is often done using a variety of machine tools including: engine lathes, universal milling machines, vertical gear shapers, wire electron diffusion machines, computer numerical controlled (CNC) lathes and milling machines.

Math skills are a strong part of the trade.

The successful candidate may have to work heights and/or in confined spaces and must be willing & able to wear all associated PPE (Personal Protective Equipment).

Successful candidate will participate in safety training related to a Ship Repair Facility.

**Requirements:**

Must be enrolled in an industrial education class and have a minimum "B" grade average.

Good understanding of Math is required.

Experience working in the trade outside of school is an asset.

The successful candidate must be able to demonstrate a good mechanical knowledge.

Applicants must meet the Program Requirements, please refer to the "Federal Student Work Experience Program Application" form.

Assessment will be based on information provided from the resume, cover letter and interview.

**Employment Equity:**

The Public Service of Canada recognizes that the diversity of its employees' population contributes to its strength and integrity. We are committed to achieving employment equity and developing a highly capable workforce that is representative of Canadian Society. We therefore encourage women (especially in non-traditional occupations), Aboriginal peoples, persons with disabilities, and members of visible minority groups to apply and declare themselves as part of one or more of the above mentioned Employment Equity Designated Groups.

Successful completion of both your educational program and either an FSWEP or SSA Coop/Internship work assignment may lead to temporary or permanent federal public service positions for which you meet the merit criteria and conditions of employment.
