(If you are able to assist us, please email us your name, contact information, and the school you are volunteering with.)

Where is the hunt?

The event takes place at Elk/Beaver Lake Park (South shelter, filter bed location). There will be colourful balloons and signs which will clearly mark the event location.

What time do I need to be there?

The event is on Saturday, April 4th. We need all volunteers to be there at 8:30am, and the event will happen rain or shine.

What should I bring?

Just yourself! Your shift will be over by lunch but there will be a concession during the event should you get hungry.

What should I wear?

The event will be taking place in a field and may be wet. We ask that you bring warm clothes, clean jeans and sweatshirts are acceptable. You may want to check the weather report the night before, we have had all sorts of weather in the past.

What will I be doing?

There will be several activities during the event but what we will need the most help with is hiding eggs around the park and helping the kids find them. We have crafts, balloons, face painting and cupcake decorating which we will also need help with. Tons of fun!
